Other important information

All personal materials must be labeled with your name

Do not bring your materials the 1st day of classes. Rather, bring them the 3rd day of school.

If your student is not fluent in Spanish and will be taking SNL (Spanish as a New Language) you do not need to purchase materials for Sociales or Spanish.

Small materials that will be used daily should be put in the pencil case while all the remaining materials should be stored in their locker to be replenished as needed.
